What is Upahar?

Upahar is an initiative by the Indian Hindu Community of Atlanta launched in 2017 with the purpose of giving back to the local community. The first-ever all-Indian Hindu build was sponsored in partnership with Atlanta Habitat for Humanity in 2017. The gift of Upahar is a hand-up to a deserving family in enabling them to own their home and build their life successfully.

This year, the **Hindu temple of Atlanta** has taken the leadership in reviving the project and sponsoring Upahar Build for 2024. Several Organizations like **Sai Temple of North America, Sewa International Atlanta Chapter and Chinmaya Mission, Atlanta** have joined hands with us already.

Will you join us in the effort ?
